The Imprivata ID application is necessary for ePrescribing controlled substances. This application should be installed and set up prior to your appointment with your credentialing coordinator. (For residents, your coordinator is in your department.)

From your smart phone:

1. Go to your devices application store.
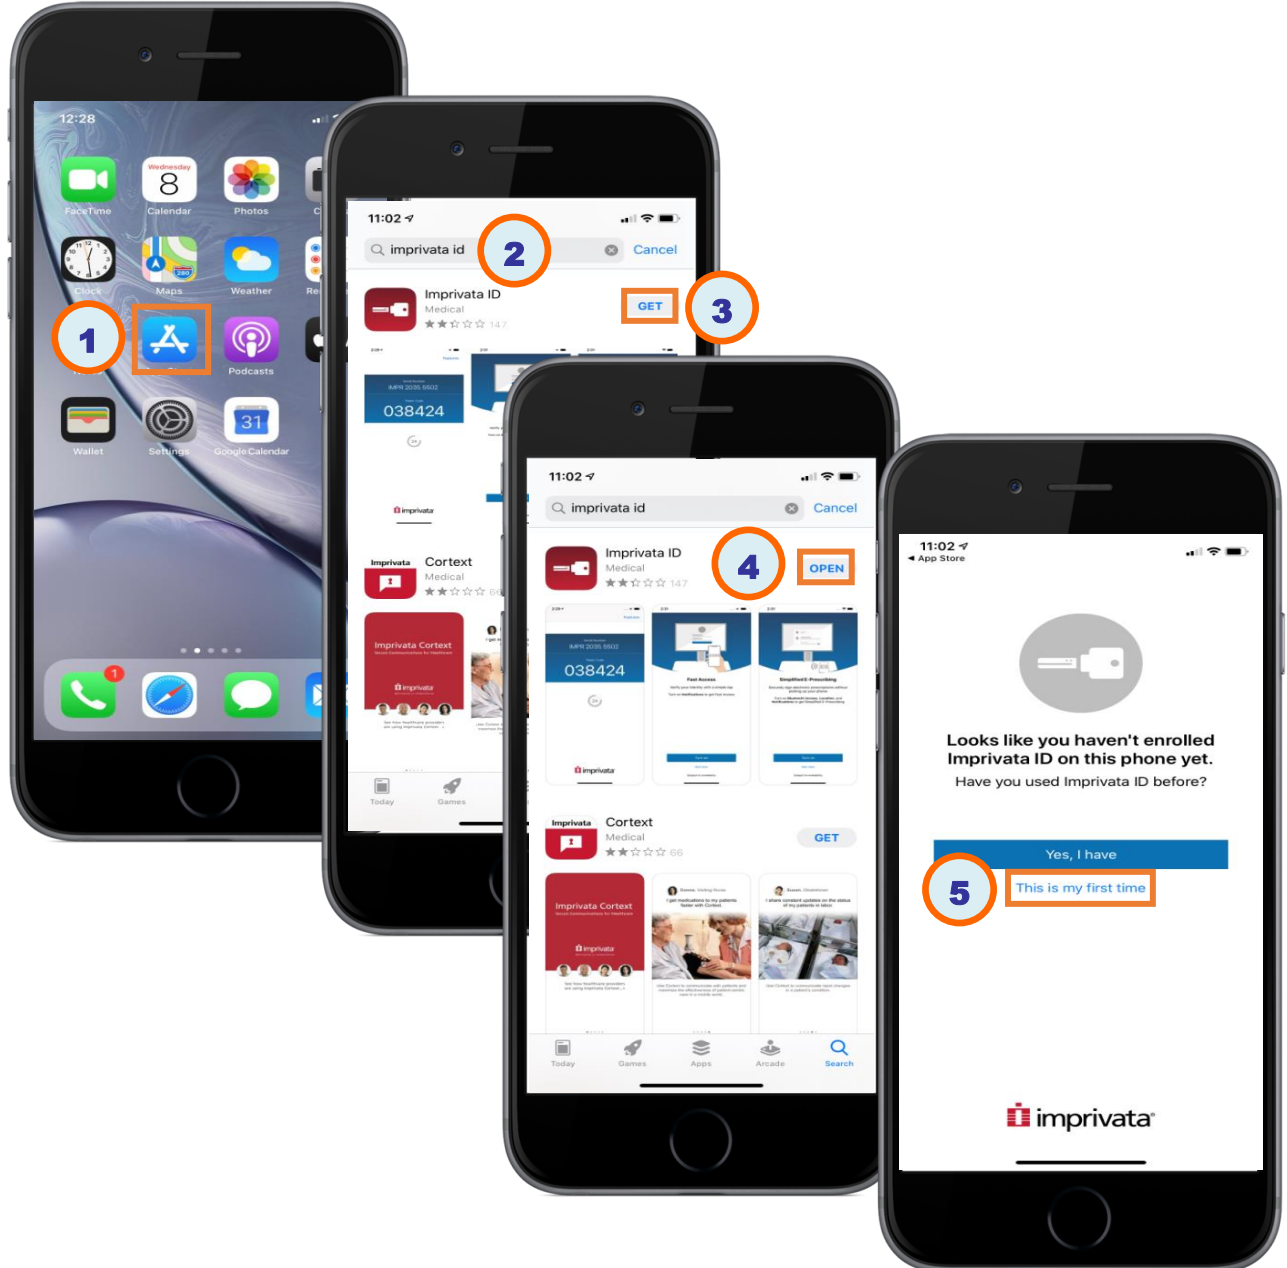

Note: iPhone users go to App Store

Android users go to Google Play Store

2. Search for Imprivata ID.

3. Click **Get.**

Note: You may have to enter your Apple ID or Google Play store ID. Some devices require biometric authentication.

4. Click **Open** once download is complete.

5. Click **"This is my first time"**

Continue to next page.

6. Click **"Turn on"** Fast Access.

7. Click **Allow** Notifications.

8. Click **Not Now** for Simplified ePrescribing

9. Click **Not Now** for Automatic Signout

10. This concludes Imprivata ID set up. Imprivata ID is now ready to be enrolled by your credentialing coordinator. Make sure to bring a government issued ID to you appointment.
